

**Clarification following disclosure provided by ASX relating to security lending arrangements with Opes Prime**

**7 April 2008**

We refer to the disclosure notices filed with the ASX by ANZ today.

In calculating the percentage of shares held, ANZ failed to take into account ordinary shares which are restricted securities. The total number of ordinary shares on issue in the capital of Praemium Limited (PPS) is 143,691,874 of which 98,186,996 are currently quoted. The 5,216,835 shares which ANZ state they acquired through the Opes Prime AMSLAs represents only 3.63% of all issued ordinary shares in PPS' capital.

The directors note that on Thursday 3 April a parcel of 4,969,422 crossed on market. At this time the Company has no information as to either the seller or the purchaser of these shares.
