

Infrastructure Administrator

Established in Australia in 2001, **Praemium** has grown to be a market-leading provider of investment platforms, investment management, portfolio administration and CRM solutions with offices in Armenia, Australia, the UK, Jersey, Dubai and Hong Kong.

The world's leading financial advisers, investment managers, institutions, accountants and product providers use Praemium to manage or administer over \$110 billion worth of investment globally across more than 475,000 accounts.

We're looking for an energised **Infrastructure Administrator** with broad and varied experience from desktop support through to emerging cloud technologies to join our sizeable yet close knit team on a permanent basis, working on various exciting projects.

You will work closely with local and global peers, supporting the day to day business along with assisting automating our existing and cloud deployments. Your skills should include the ability to define, discuss, present, influence, and communicate technical solutions and changes, make decisions and be driven to deliver the best support and infrastructure solutions for internally and our customers.

Experience, qualifications and attributes sought after:

- At least 3 years experience with Microsoft desktop and server operating systems
- Fluent in English language
- Knowledge of Windows Server(ADDS, WDS, WSUS, IIS, NPS)
- Good understanding of network fundamentals
- Hands-on Experience with Linux, preferably Debian
- Automation scripting using Powershell/DSC
- Experience working with Cloud, Microsoft Azure and Office 365 knowledge is desired
- Knowledge of CI/CD, Deployment tools
- Respond to end user requests
- Knowledge of web and systems security concepts

- Experience working in a large/complex environment
- Comfortable with teaching technology to non-technical people
- Think Lean, analytics and data
- Eager to learn and willing to bring ideas to the table
- A passion for IT and software technology – continually learning and encouraging the latest and greatest

What's in it for you?

- Center Yerevan location, great team and office environment
- Global leading Fintech investment management platform
- Great learning and development experience with peers, technologies and markets
- Competitive salary, including medical insurance, compensation and a range of sport activities

Please apply by emailing your CV in English to am.vacancies@praemium.com

Note that Praemium is an equal opportunities employer. We can only accept applications from candidates with the right to work in Armenia. Only short-listed candidates will be notified for interviews.
